COURSE ASSISTANTS: Gülen Çevik, Neslihan Güğümçü, Mehmet Öz, Zeynep Çelik

HOMEWORK AND PROBLEM SESSIONS: Homework problems will be posted on the web page. While these will not be collected, you should take them seriously and solve them. There will be regular problem sessions, centered on the homework.

EVALUATION: Your progress will be evaluated according to your performance in two midterm exams and a final exam. Their contribution to your total grade will be as follows: Midterm exams 30% each and the final exam 40%. You may also get 5 bonus points according to your lecture attendance and 3 bonus points according to your PS attendance. Exam dates will be determined by the Registrar Office. All the information regarding to the exam dates and places will be announced on the web page of the course. Calculators will be allowed in Exam 2 and the final exam.

PASSING GRADE: The passing grade (D) is at least 40 out of 100.

MAKE-UP EXAM: There will be only 1 common make-up exam for a missed exam (midterm or final) at the end of the semester, after the final exam. It will include all the material covered throughout the semester (even if it may be a make-up for the midterm).
ACADEMIC HONESTY: Students are expected to maintain their academic integrity. Academic dishonesty in any form will not be tolerated and punished as described in the "academic integrity" section of the Koç University catalog p.36. A detailed definition of academic dishonesty is also provided in the catalog.
